SUPPLEMENT TO
REPORT NO.

25X1X6

Ipem Bulag,* a member of a unit of the Hukbong Mapagpalaya Ng Bayan (HMB), was seriously wounded by a bullet through the chest during an attack staged by Philippine Government forces on previously reported HMB bases near the Rizal - Bulacan border on 11 and 12 May 1950. HMB leaders have sent a courier to Manila to procure penicillin to treat the wound.

25X1A2q

25X1A6a * [REDACTED] Comment. See 25X1A29 [REDACTED] for a previous report on Ipen Bulag.

25X1A6a [REDACTED] Comment. The names "Ipon" and "Ipeng" are variations of "Ipe", a familiar form of Felipe. Bulag means blind.
